

## **AAON Supports the Rotary Club of Tulsa**

AAON has been a long-time supporter of the Rotary Club of Tulsa. A number of team members are members of both the Rotary Club of Tulsa and Rotaract. AAON has been a consistent supporter of the Rotary Club of Tulsa's Henry P. Iba Citizen Athlete Awards Dinner. The Iba Awards have become internationally known and respected for honoring athletes for their humanitarian efforts.

Rotary is an organization that seeks to do good here and around the world. The organization provides opportunities for service through programs to honor police and firefighters, camps for teenagers, youth exchange programs, water well projects in developing countries, an adopt-a-school program, and an initiative to connect children in high-risk communities with law enforcement.

The Rotary Club of Tulsa provides grants to various nonprofits in the community and helped to start the Tulsa Boys' Home in addition to the Children's Hospital.
